HOW TO REPORT A HATE CRIME

Did you know, you can report hate crimes and incidents to the Students' Union?

The Advice Centre provide independent, free and confidential advice and support to those who come forward to report hate crimes and incidents.

We also work directly alongside the University and with Lancashire Police to ensure you get the support you need when reporting.

Your Students' Union embraces diversity and is committed to communicating openly, honestly and respectfully at all times. We will always take a zero tolerance approach to all forms of harassment and hate crime.

WHAT IS A HATE CRIME OR INCIDENT?

A hate incident is an act of hostility or prejudice motivated by somebody's:

- **Race**
- **Religion**
- **Disability**
- **Transgender**
- **Sexual orientation**

When a criminal offence is committed and the law is broken, then a hate incident becomes a hate crime.
